TO THE TRADE

January 1951

Dear friends,

We are pleased to be able to send again our price list of lining out stock and to extend our invitation to you to look it over.

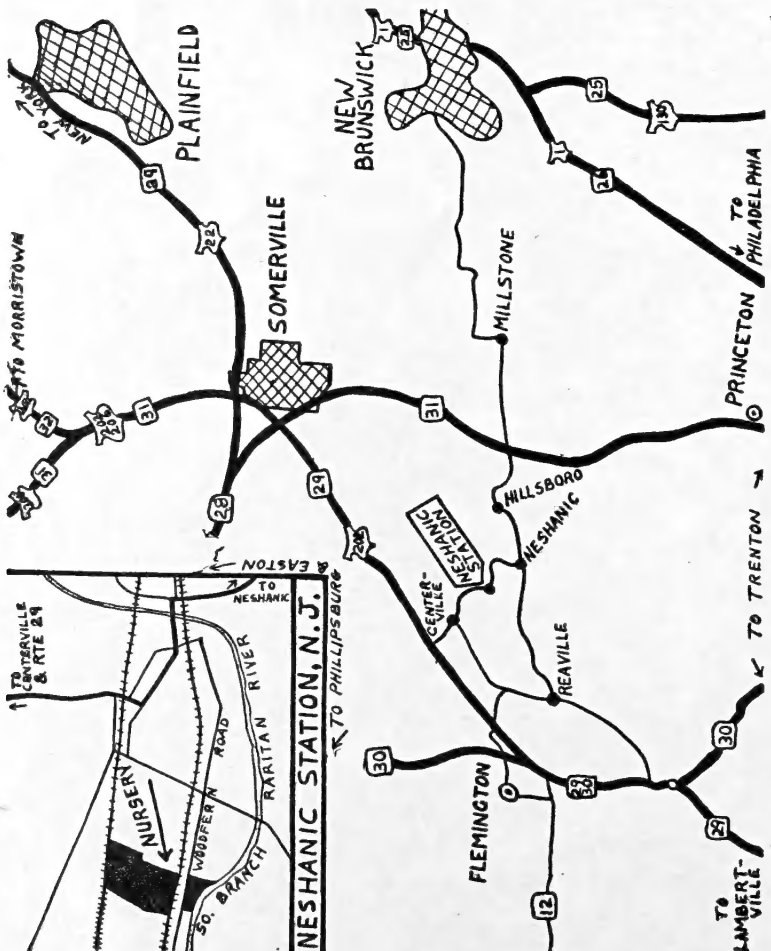

This is our 30th year in the propagating business and we look back on many pleasant associations. In 30 years we have gained much valuable experience and know-how in growing and in shipping lining-out stock, all of which we pass on to you in the form of better quality stock. Our facilities have recently been relocated and expanded. Consequently we shall soon be in a good position to supply a greater variety of the same good healthy stock that we have grown in the past.

Come visit us if you can, you are welcome. Sunday we hold a day of rest and reverence and Saturday afternoon we go our devious ways. The rest of the week we are here to serve you.

Yours sincerely,

John Vermeulen

Pete Vermeulen

ROOTED CUTTINGS

All our cuttings are treated with hormones to assure abundant supple roots for safe shipping. They are taken from healthy plants and liberally sized. All weak cuttings are discarded. Shipments begin about April 15th to May 1st.

POT GRAFTS

You are assured of first quality in our grafts. We use only strong, healthy cions grafted on well established understocks potted in 2 1/4" rose pots, Rhod. in 3" pot. Plants are hardened off for outdoor planting but require about 50% shade when planted and during the summer. They will be ready about May 1st to 15th and after.

| | | each | | |
|---|--------------------------------------|------|------|------|

OUR 30th YEAR

TRANSPLANTS

30 Years Experience Are Behind Every Liner Offered In This General List and Its To Your Advantage. Profit Also By Our Liberal Grading.

each
10 100 1000

ABELIA GRANDIFLORA - Glossy Abelia.

Pink tinted white flowers bloom all summer. Evergreen. 2¼" pot .17½ .13 .12

ACER PALMATUM PURPUREUM - Jap. Red

Maple. Double select seedlings. Seed selected from fine red trees. Only good red plants picked from seed bed for potting. For May shipment. 2¼" pot .25 .20 .17½

ACER SACCHARUM MONUMENTALE -

Sentry Sugar Maple. Novel and most majestic of all the sugar maples. Glorious in its range of autumn colors. Its tall, narrow, full habit makes it supreme for all plantings. 10-15" 1yr graft, 2¼" pot 2.00 1.75 (\$2.25 ea. 5 rate)

AZALEAS

To say that azaleas were the best loved of all plants may seem to boast of them but certainly they are the most popular. In what other group can one find the range of colors from soft pastels to scintillating brights arrayed on plants of grace tall or small or strength squat or broad. It is a plant of everlasting beauty and worthy of a place in every garden.

AMOENA, purple-red 2¼" pot .20 .15

AMOENA SUPERBA, dark mauve.. 2¼" pot .20 .15

APHRODITE (Glenn Dale), rose pink, extra large flower in midseason. Hardy 2¼" pot .25

ARBORESCENS, Sweet azalea. Fragrant white native azalea with flowers in very late spring. Very hardy. field 6-9" XX .45 .35 field 9-12" XX .55 .45 field 12-15" XX .75

GABLE HYBRIDS. Extra hardy and beautiful. For many years Mr. Joseph Gable of Stewartstown, Pa. has been crossing and recrossing looking for hardiness in combination with beauty. He states hinodegiri won't thrive in his nursery so those he labels as hardy must be so. The varieties we have were further tested by us and we offer them knowing they will satisfy.

LORNA (C-8-G) Beautiful deep pink, fully double flowers borne in profusion on a compact evergreen plant. Flowers bloom early and last long without fading. 2¼" pot .30 .25

MARYANN (38-G) Clear double pink large flowers on a sturdy evergreen plant. Very hardy. 2¼" pot .25 .20

MILDRED MAE (69-G) Large lavender flowers spotted bright red in the throat. Broad shapely plant with dense evergreen foliage. 2¼" pot .25 .20

SELECTION - We have eight or ten other named or numbered varieties and will make up a selection of 5 each of 5 different varieties possibly containing some of the above. All labeled of course. 2¼" pot \$6.25 per 25

HINO-CRIMSON. Bright crimson-red kurume with non-fading characteristics. Will not fade in the brightest sun. Introduced by us in 1944 and now a favorite to take the place of hinodegiri for it is hardier and has better color appeal both in flower and its foliage which is glossy dark green. Profusion of flowers both outdoors and in forcing.

(LATE MAY SHIPMENT) 2¼" pot .25 .20 .17½

| | | | | |

| 3yr XX 6-12" | .65 | .55 | |

MEDIA VARIETIES BELOW. TALL-NARROW-HARDY.

Original plants selected from seedlings in 1932 and tested for hardiness, growth habit and public appeal for many years. Perfect in the place of juniper or thuya for accent planting.

PYRAMIDALIS - Pyramid Yew. Fast growing with vertical branches and striking dark green foliage. A rich, showy full bushed pyramid.

| | | | |
|---------------|-----|-----|------|
| 2yr X 6-10" | .40 | .35 | |
| 3yr XX 6-9" | .55 | .45 | |
| 3yr XX 9-12" | .65 | .55 | |
| 3yr XX 12-15" | .75 | .65 | |

ROBUSTA - Obelisk Yew. Similar to pyramidals but with heavier branches and habit. Needles are larger and more glossy.

| | | | |
|-------------|-----|-----|------|
| 2yr X 6-10" | .40 | .35 | |
|-------------|-----|-----|------|

STRICTA - Narrowbush Yew. Short needles lend a compact effect. Vertical branches and narrow habit make a desirable plant.

| | | | |
|-------------|-----|-----|------|
| 2yr X 6-10" | .40 | .35 | |
|-------------|-----|-----|------|

VERIDIS - Grassgreen Yew. Year-around fresh green color. Strong sturdy growth of vertical branches in slender habit make it one of the best.

| | | | |
|-------------|-----|-----|------|
| 2yr X 6-10" | .40 | .35 | |
|-------------|-----|-----|------|

VIBURNUM

BURKWOODI - A comparatively new hybrid viburnum that is similar to carlesi but much superior in foliage which is semi-evergreen and a dark glossy green. Flowers are beautiful pink clusters that are fragrant and bloom early (May) even on young plants.

| | | | |
|---------|-----|-----|------|
| 2¼" pot | .25 | .20 | |
|---------|-----|-----|------|

CARLESI - Fragrant Viburnum. Fragrant waxy flowers in small clusters bloom as the foliage appears.

| | | | |
|---------|-----|-----|------|
| 2¼" pot | .35 | .30 | |
|---------|-----|-----|------|

DENTATUM - Arrowwood Viburnum. Long stalked clusters of white flowers in late spring followed by blue-black berries in late summer and purple-red foliage in fall.

| | | | |
|------------|------|------|------|
| 1yr 6-9" | .07½ | .05 | |
| 1yr 9-12" | .10 | .07½ | |
| 1yr 12-18" | .12½ | .10 | |

LANTANA - Wayfaring-tree. White flowers in May and June. Red berries turning black in fall. Autumn foliage brilliant red.

| | | | |
|------------|-----|-----|------|
| 2yr 12-18" | .20 | .15 | |
| 2yr 18-24" | .25 | .20 | |

TOMENTOSUM - Doublefile Viburnum. Flat heads of white flowers in June followed by red to black berries.

| | | | |
|---------|------|------|------|
| 2¼" pot | .22½ | .17½ | |
|---------|------|------|------|

WISTERIA - See page 5.

MEMORANDA

TERMS AND CONDITIONS OF SALE

PRICES: Prices quoted herein cancel those in all previous lists and are subject to change without notice. They apply only to bona fide nurserymen, florists, dealers, etc., proof of which must be ascertained. Not less than 10 of a variety will be sold. 25 at 100 rate. 250 at 1000 rate. \$1.00 additional must be added to orders totaling less than \$10.00 to cover cost of handling.

TERMS: To those with established credit 2% discount allowed if paid within 10 days of date of invoice or net 30 days. All others are required to submit payment in full with the order or 50% of total with balance plus packing to be charged C.O.D. 3% discount is permitted on all orders placed and paid in full prior to March 1st, 1951. All prepaid orders will be packed free of charge — others at cost.

SHIPPING: All shipments are made at the cost and risk of the purchaser and our responsibility ends upon delivery to the forwarder. They will be made via railway express unless otherwise specified.

CLAIMS: Claims on grade and quantities will be honored only when made in writing within 10 days after receipt of the shipment. Inspection of contents of damaged containers or overdue shipments should be made BEFORE accepting same. Irregularities should be reported to and claims initiated with the proper agent. Duplicate receipts will be forwarded on request.

GUARANTEE: We shall willingly replace any stock that proves untrue to name or make refund if stock is not available but in no case shall we be liable for more than the original purchase price or the size and grade originally supplied.

NOTICE: All stock is subject to prior sale and we hold the privilege to refuse sale. Orders will be accepted in order of receipt and only on condition that they may be voided due to crop failure, inclement weather, drought, fire, frost, strike, etc. We reserve the right to delay shipments to the best interest of the plants.

A NOTE

The above terms and conditions are printed to avoid misunderstanding. But look — we're human! We like to do business man to man. Write, phone or visit us. If you've a gripe, let's have it. Likewise, when we've done something you like extra well, let us know about it — we'll pass it on to the right party.
